Bulletin 1

Invitation

With great pleasure, Qatar R/C Sport Center takes the honor to invite FAI F3D, F3T, F3E, F3R with limited technology (Type O.S .46, Thunder Tiger .46, composite and wooden airframes). pilots to participate in the 2025 Qatar International Pylon Race “Desert Falcons” to be held at QRCSC Airfield, Qatar

Flying Site

The competition will be held at the QRCSC airfield, which is located 55 KM to the north of Doha

Location: **Longitude 25°45'54.7"N (25.765196), Latitude 51°22'52.3"E (51.381181)**

On google maps: **Q98J+39 Simsimah**

QRCSC airfield is a Model Aircraft only airfield, 850 meters runway 24 meters wide, 1 square KM, with permanent clearance up to 1000 Ft altitude from the civil aviation authority

The winds in Qatar are mostly from the north and south, so take-offs will be crosswind (towards the east) with landings coming from the north or south.

The take-off and landing area is on asphalt and artificial grass for E-Racers, with a concrete pilot area

F3R with limited technology (Type OS .46, Thunder Tiger . 46, composite and wooden airframes)

A safety inspection will be conducted.

Transport

QRCSC Airport is situated on Doha Expressway, Exit 54

Hamad Intl Airport: 1:10 hrs by car, no traffic

Doha City Center: 45 mnts by car, no traffic

Lusail City: 30 mnts by car, no traffic

Alkhor City: 20 mnts hrs by car, no traffic

Weather

December usually offers relatively stable weather conditions in Qatar, with temperatures between 15° and 25° C.

The competition has been scheduled over a 3 days period (plus 1 day reserve), so in case of a period of unstable weather, there will be extra time available

Web site.
